

FFA Circular

Circular No.20-10

13 May 2020

TO THE MEMBERS OF FFA

Game plan for resuming grassroots football in Australia

The purpose of this Circular is for Football Federation Australia (**FFA**) to provide an update on developments regarding the resumption of grassroots football in Australia. This update follows FFA Circular 20-09 (available [here](#)) which announced the extension to the suspension of grassroots football until at least 31 May 2020.

We would also like to take this opportunity to again encourage all football participants to download and use the COVIDSafe app. The app is available to download on the [Apple App store](#) and [Google Play](#).

State and Territory restrictions

As previously noted, FFA continues to consult with the Member Federations and all levels of Government and is closely monitoring all COVID-19 developments, including the individual circumstances of each State and Territory.

FFA welcomed the recent announcements by certain State and Territory Governments regarding the easing of COVID-19 related restrictions that may allow for a resumption in certain football activities, such as group training, prior to 31 May 2020 in their respective jurisdictions. We recognise that the position may vary across the different States, Territories and localities in Australia.

FFA supports these opportunities to return to football activities early, provided they are undertaken in line with the medical guidelines and restrictions that apply in the respective State or Territory. This includes ensuring activities adhere to any social distancing requirements and limitations on group sizes involved, as determined by the relevant State or Territory Government and/or Local Public Health Authorities.

The safety and wellbeing of all football participants, and that of the wider community, remains the paramount concern for FFA. We are continuing to work with the Member Federations in supporting the resumption of football in a responsible manner.

Guidelines for the resumption of grassroots football

FFA also welcomed the National Principles for Sport and Recreation recently released by the Federal Government and National Cabinet, available [here](#). These 15 Principles, together with the AIS's "Framework for Rebooting Sport in a COVID-19 Environment" (available [here](#)) are being used by State and Territory Member Federations to help guide the resumption of grassroots football. This approach is also in line with the "3 step framework for a COVIDSafe Australia" released by the National Cabinet on 8 May 2020, a copy of which is attached to this Circular.

Again, each individual State and Territory may have different circumstances which will influence the approach taken by each Member Federation in facilitating the resumption of grassroots football. However, the State and Territory Member Federations' guidelines for resuming football activity, considering State and Territory Government and/or local Public Health Authorities requirements, will provide a framework for all participants in football – including players, officials, staff, volunteers and parents.

We look forward to a safe resumption of football activities in line with the respective guidelines in each State and Territory as we continue to play our role as a football community in stopping the spread of COVID-19.

Yours sincerely

James Johnson
Chief Executive Officer

Roadmap to a COVIDSafe Australia

COVIDSAFE

States and territories will move at different times based on local conditions

National Cabinet will review step progress every three weeks

Step 1

COVID safe reopening commences with physical distancing & hygiene

- Up to 5 visitors to your home
- Gatherings of up to 10 outside of home
- Work from home if it works for you and your employer
- Libraries, community centres playgrounds and boot camps open
- Australians can do more:
 - Shopping
 - Restaurants and cafés
 - Home sales & auctions
 - Local playgrounds
 - Outdoors boot camps
 - Local and regional travel

Step 2

Most business reopen with physical distancing & hygiene

- Gatherings of up to 20 outside of home
- Work from home if it works for you and your employer
- Australians can do even more in gatherings of up to 20:
 - Gyms
 - Beauty therapists
 - Cinemas, theatres or amusement parks
 - Galleries and museums
 - Some interstate travel
- States and territories may allow larger numbers in some circumstances

Step 3

All Australians return to work with physical distancing & hygiene

- Gatherings up to 100
- Return to workplace
- Consider cross-Tasman, Pacific Island travel and international student travel
- Australians can do even more in gatherings of up to 100:
 - Food courts
 - Saunas and bathhouses
 - All interstate travel
- States and territories may allow larger numbers in some circumstances
